UTILITIES BOARD

IN RE:  IOWA TELECOMMUNICATIONS SERVICES, INC., d/b/a IOWA TELECOM	DOCKET NO. TF-04-500
---	----------------------

**ORDER APPROVING CHANGES TO EXCHANGE BOUNDARY MAP**

(Issued December 30, 2004)

On November 2, 2004, Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom), filed with the Utilities Board (Board) a request to change its exchange boundary map for the Crawfordsville and Olds, Iowa, exchanges. The filing has been identified as Docket No. TF-04-500.

Iowa Telecom proposes to change the boundaries of Sections 27 and 28 of the Crawfordsville and Olds exchanges. Iowa Telecom states that one customer is building a home located within the Crawfordsville exchange and it is more economical to serve the customer from the Olds exchange. Iowa Telecom also states that the customer agreed to be served from the Olds exchange and that no other customers would be affected by the proposed transfer.

The Board will approve the proposed changes to the Crawfordsville and Olds, Iowa, exchange boundaries submitted by Iowa Telecom pursuant to Iowa Code § 476.29(8). The Board finds that the change is reasonable since the boundary revision was initiated in order to use the network most efficiently, the affected

customer does not object, and no other customers will be affected by the change. Iowa Telecom's request merely changes the boundaries of current exchanges covered by Iowa Telecom's certificate. Therefore, an amended certificate is not needed.

**IT IS THEREFORE ORDERED:**

1. The request to change the exchange boundary maps for the Crawfordsville and Olds, Iowa, exchanges filed by Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom, on November 23, 2004, is granted. Revised maps for the Crawfordsville and Olds, Iowa, exchanges shall be filed with the Board within 30 days of the issuance of this order.
2. The proposed changes, identified as Docket No. TF-04-500, are approved and become effective upon the issuance of this order.
